

# Silver tape

## Ventilation tape

### Uses

All purpose tape suitable for ventilation ducts.

### Design

Cloth silver tape with good air and diffusion tightness. Polyethylene coated cotton cloth. The tape is slightly extensible in longitudinal direction. Good resistance to heat and cold. Easy to tear.

Material: PE-coated cotton cloth.

Adhesive material: Rubber-based.

Thickness: 0,25 mm.

Width: 50 mm.

Length/roll: 50 m

Colour: Grey.

Packing: 30 rolls/carton

### When ordering, please state:
